WHY

HomeCare Australia?

In one word, empathy. We understand the struggles and challenges our clients face as they age and our primary commitment is to meet their needs in a compassionate and professional manner. We:

> Take a person-centered, individualised approach to care, and we always put our clients' needs first.
> Structure our services around clients' needs, taking an enablement approach
> Offer an extensive variety of services that is unmatched.
> Are a reputable, registered Aged Care provider with carefully selected and well-trained staff.
> Have straightforward and easy processes, devoid of bureaucracy and unnecessary delays.
> Easy to understand agreements and invoices
> We are flexible and accessible

Our Vision
To be the premier home care services provider in Australia,with a strong reputation for compassionate care, delivered by world class professionals.

Why We Are Different ?
As a family-owned and operated service provider, we are involved in the day to day details of our clients' care, from screening, selecting and placing the right care workers to identifying the kind of care you need. Our hands-on approach sets us apart from large companies to whom the client is just a number in a file. We take the time to know you, your goals and what you need to support you reach those goals.

Our Staffing Selection Process
All our staff undergo a thorough preferential and behavioural pre-screening for qualification, competence and suitability for the job. Selected candidates undergo further screening for suitability and are reference checked for experience and undergo a criminal and working with children check.
